

Jet Dry Plus Blade Hand Dryer

An ideal sleek most advanced blade hand dryer in the world with one of the lowest noise levels in the sector. For use in offices, pubs, social clubs, restaurants, nightclubs, hotels, sports centres, golf clubs, sailing clubs. With a sturdy ABS cover finished in Silver to enhance your decor

The new Jet Dry Plus Blade Hand Dryer is one of the quickest hand dryers on the market. Using the latest twin jet style blade drying technology giving just 10 seconds dry time. Now comes with a 99.9% HEPA filter and UV sterilisation. Designed to provide a cost effective alternative to conventional hand dryers and paper towels. These new blade hand dryers have been developed with speed in mind. They provide a rapid drying time from 10 seconds, thus reducing washroom time. The fast dry range offers up to 70% energy saving when compared to conventional dryers. Lets the user save time, whilst their hands stay healthy and clean, at the same time reducing your carbon footprint.
