

## The **BLUEZONE** Compact High Speed Hand Dryer

The evolution of the popular **BLUEZONE** compact hand dryer, is an ultra fast and stylish contemporary design, offering exceptionally fast hand drying, whilst saving energy and giving reduced noise levels.

The **BLUEZONE** hand dryer delivers a powerful flow of warm air drying in 7 seconds, that is ideal for high traffic areas and lowering energy consumption. LED lights indicate the hand dryer in operation, and a blue pool of light indicates the hand drying zone.

The **BLUEZONE** hand dryer is a fully vandalproof dryer ideal for heavy duty areas, offering both style and quality. Ideal for restaurants, licenced premises, hotels, motorway services and supermarkets, offices and factories, schools and colleges.

The best value hand dryer on the market with it's red, green, and blue L.E.D light which provides a visible indication of the drying zone ensuring that the users hand's are always in the warm air stream.
